

Welcome to Virtual St Andrew's

While we are unable to meet together as a community, we can still meet together in virtual community, through the magic of the internet. The live stream begins at 9:50 with the service beginning at 10 AM. There can sometimes be a lag in the stream so if you join the service at 10 and it has started yet, please be patient; it will begin shortly. If you're busy at 10AM, it will be available throughout the week for to you to watch later. No matter when you join the stream it's all common prayer in community.

Download the readings

First, download and print the Bulletin for Morning Prayer and the readings for the day. Hang-on to the bulletin; we will use it each week.

Connecting to Virtual St. Andrew's Vis Facebook Live

1. The first step is to go to Facebook and at the top of the page search for St Andrew's Episcopal Church Irvine. It should be the top result in the search results. Click on the heading. That should take you to the St Andrew's Page.
2. If you have done so, click on the <Follow> button. That will make sure you get our notifications.
3. On the left hand side find the "Videos" heading. Click on that. You should see our Facebook Live notification. Click on it and the video stream should begin

Connecting Via StAndrewsIrvine.org

This is not the best choice. The bandwidth will be better connecting directly to Facebook. However, in a pinch this method can be used.

Go to the St Andrew's website. On the right hand side of the page, perhaps a little way down, is the Facebook Page window. The video stream should be visible; just click on it.
